OGDENSBURG, NEW YORK

SUBJECT: AMENDMENT OF CONTRACT WITH THE SUPERINTENDENT OF SCHOOLS

DATE: November 16, 2015

REASON FOR BOARD CONSIDERATION:

The Board of Education is the sole agency to approve the contract with the Superintendent of Schools.

FACTS AND ANALYSIS:

The Superintendent of Schools contract currently provides a provision to provide the Superintendent with a cell phone at district's expense. The current phone needs updating which will require another two year extension of the AT&T contract. Since the Superintendent may retire within the next two years the Superintendent wishes to remove contract language requiring the district to provide a cell phone at district expense. Therefore, the contract language and benefit will be deleted from the Superintendent's contract and the following is the recommended action:

RECOMMENDED ACTION:

Moved by _____ and supported by _____ resolved, that the Board of Education of the Ogdensburg City School District does hereby approve the following contract amendment for TIMOTHY M. VERNSEY, SUPERINTENDENT OF SCHOOLS, effective November 16, 2015.

- Language to be deleted: "The District will also provide the Superintendent with a cell phone and pay the applicable costs associated with the cell phone plan. The cell phone can be updated as the plan allows at district expense. The cell phone will remain property of the district and shall be returned to the district at the time the Superintendent leaves the employment of the district."
