RE: New Course Offering – Proposal – 2016-2017

Theater Tech

Theater Tech will be an introduction to theater as a performing art. Students will be involved with and learn the process of producing the school's musical from the behind the scenes aspects of creating the set to how to act on stage. Some of the topics included in the class will be:

- Basic acting technique/games
- Light board/spot lights-creating a light show
- Sound board/microphones-how to create a balance sound on stage
- Go from sketch to production-create sets and props for the school's musical
- Writing the program for the musical
- Advertise/publicize the musical
- Stage makeup
