SUBJECT: PURCHASING

The District's purchasing activities will be part of the responsibilities of the Business Office, under the general supervision of the Purchasing Agent designated by the Board of Education. The purchasing process should enhance school operations and educational programs through the procurement of goods and services deemed necessary to meet District needs.

Competitive Bids and Quotations

As required by law, the Superintendent or designee will follow normal bidding procedures in all cases where needed quantities of like items will total the maximum level allowed by law during the fiscal year, (similarly for public works-construction, repair, etc.) and in such other cases that seem to be to the financial advantage of the School District.

A bid bond may be required if considered advisable.

No bid for supplies shall be accepted that does not conform to specifications furnished unless specifications are waived by Board action. Contracts shall be awarded to the lowest responsible bidder who meets specifications. However, the Board may choose to reject any bid.

Rules shall be developed by the administration for the competitive purchasing of goods and services.

The Superintendent or designee may authorize purchases within the approved budget without bidding if required by emergencies and are legally permitted.

The Superintendent or designee is authorized to enter into cooperative bidding for various needs of the School District.

Procurement Of Goods And Services

The Board of Education recognizes its responsibility to ensure the development of procedures for the procurement of goods and services not required by law to be made pursuant to competitive bidding requirements. These goods and services must be procured in a manner so as to:

Assure the prudent and economical use of public moneys in the best interest of the taxpayer;

Facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances; and

Guard against favoritism, improvidence, extravagance, fraud and corruption.

SUBJECT: PURCHASING (Cont'd.)

These procedures shall contain, at a minimum, provisions which:

Prescribe a process for determining whether a procurement of goods and services is subject to competitive bidding and if it is not, documenting the basis for such determination;

With certain exceptions (purchases pursuant to General Municipal Law, Section 186; State Finance Law, Sections 175-a and 175-b; State Correction Law, Section 184; or those circumstances or types of procurements set forth in (f) of this section), provide that alternative proposals or quotations for goods and services shall be secured by use of written request for proposals, written quotations, verbal quotations or any other method of procurement which furthers the purposes of Section 104-b of General Municipal Law;

Set forth when each method of procurement will be utilized;

Require adequate documentation of actions taken with each method of procurement;

Require justification and documentation of any contract awarded to other than the lowest responsible dollar offer, stating the reasons; and

Set forth any circumstances when, or the types of procurement for which, the solicitation of alternative proposals or quotations will not be in the best interest of the District.

Any unintentional failure to fully comply with these provisions shall not be grounds to void action taken or give rise to a cause of action against the District or any District employee.

The Board of Education shall solicit comments concerning the District's policies and procedures from those employees involved in the procurement process. All policies and procedures regarding the procurement of goods and services shall be reviewed annually by the Board.

Alternative Formats for Instructional Materials

Preference in the purchase of instructional materials will be given to vendors who agree to provide materials in a usable alternative format (i.e., any medium or format, other than a traditional print textbook, for presentation of instructional materials that is needed as an accommodation for each student with a disability, including students requiring Section 504 Accommodation Plans, enrolled in the School District). Alternative formats include, but are not limited to, Braille, large print, open and closed captioned, audio, or an electronic file in an approved format as defined in Commissioner's Regulations.

SUBJECT: PURCHASING (Cont'd.)

District Plan

The District will develop a plan by July 1, 2002, to ensure that all instructional materials to be used in the schools of the District are available in a usable alternative format for each student with a disability, including students requiring Section 504 Accommodation Plans, in accordance with his or her educational needs and course selection, at the same time as such instructional materials are available to non-disabled students. The District Plan shall include those provisions mandated by Education Law and Commissioner's Regulations.

Apparel Purchases

Competitive Bidding Purchases

The Board of Education will only accept bids from "responsible bidders." A determination that a bidder on a contract for the purchase of apparel is not a "responsible bidder" shall be based upon either or both of the following considerations:

- a) The labor standards applicable to the manufacture of the apparel, including but not limited to employee compensation, working conditions, employee rights to form unions, and the use of child labor; or
- b) The bidder's failure to provide information sufficient for the Board of Education to determine the labor standards applicable to the manufacture of the apparel.

Non-Competitive Bidding Purchases

The Board's internal policies and procedures governing procurement of apparel, where such procurement is not required to be made pursuant to competitive bidding requirements, shall prohibit the purchase of apparel from any vendor based upon either or both of the following considerations:

- a) The labor standards applicable to the manufacture of the apparel, including but not limited to employee compensation, working conditions, employee rights to form unions, and the use of child labor; or
- b) The bidder's failure to provide information sufficient for the Board of Education to determine the labor standards applicable to the manufacture of the apparel.
