Dear Ogdensburg City School District
Board of Education Members,

Our district and its pantry, A Little Something Extra, are always looking for opportunities to support our students and the community at large. This Summer, the pantry would like to host a "Back to School Night". On August 20, 2019, the pantry will arrange an evening to bring school and community together and get students and parents excited about the coming school year. Through the generosity of community businesses and individuals, we plan to offer free haircuts by local licensed hairdressers. We hope to provide a minimum of 150 book bags packed with grade specific school supplies to our students. School and community resources, such as county health, Reality Check, and McKinney-Vento Mentors, will be available to parents and students. Finally, we hope to provide some fun activities for our students, including bounce houses and some delicious eats and treats. Please support our mission to support every district student and make the 2019/2020 school year, the best yet.

Sincerely,

Hillary Skelly
