Elementary Principal Goals

SueEllen L Bouchard

Amy L. DiSalvo

Christina B. Frank

The elementary principals will:

- Communicate on a regular basis to promote consistency across the academic and extracurricular programs in each building.
- Support instruction and student achievement through professional development in the implementation of the Teachers College Reading and Writing Project units of study (grades K-6), in addition to the units of study in phonics (grades K-2).
- Support social-emotional learning in students through the Positivity Project (P2), community involvement, and parent involvement in the school setting.
