End of the Year Report 2018 - 2019

Art Department

Curriculum changes, new programs, etc.

Ms. Drayse-Alonso

- Classes taught this year: Art 7, Studio Art, Printmaking, Sculpture and Independent Study Art.
 - A new emphasis in my art curriculum was to relate lessons closely to sequential learning benchmarks set as a department last July. These benchmarks, guided by the new NYS Standards in the Arts, include the following focused areas of learning: Create and Design, Ethics, Art Careers, Art History and Culture, and Visual Literacy. The Art Department will meet for an R&D day this summer to review and revise our curricula based on this year's findings of our students' experiences and outcomes.
 - Our Printmaking elective included a short Mokuhanga (Japanese woodcut) unit, a first attempt at this upper-level process, and one to be developed further for Printmaking 2020.
 - Along with NYS Visual Arts Standards, Eight Studio Habits of Mind, and the district's new Positivity Project, the spring art show theme, *Portraits*, also steered sequential learning units in all art courses.

Mrs. Marcinko

- The new visual art elective, Digital Art, was a huge success. Students created animations, digital paintings, and illustrations using Sketchbook, Adobe Photoshop, Adobe Illustrator, and other software. Some comments students wrote about the class were:
 - "I loved the class and experience. I felt was lucky to be able to be there, and I appreciated the opportunity the class gives and LOVED the supportive atmosphere from the other classmates. This class was overall just amazing and I'm so glad I was able to experience it."
 - "This was my favorite class and genuinely the only class I was happy to go to everyday."
 - "I love how positive this class is and what the vibes are like in the class."
 - "The class is good practice if you want to pursue something like this in life."

The final project for this course was an online digital portfolio, where students were required to design a website to show their artwork, both digital and traditional, to use for applying to college or a career. I also collaborated with Sara Pabis and had students to create a series of posters and t-shirt designs for OFA's *Once Upon a Mattress* musical.

- Last summer, the Ogdensburg Art Department met for two Research and Development Days to revisit our curriculum. We updated and redesigned our curriculum to align with the new NYS Visual Arts standards. This was extremely helpful this school year, and we hope to further refine our curriculum this summer.

Mrs. Rycroft

- Grade levels taught this year: Junior Kindergarten- 6th Grade
 - Madill: Days 1, 2, 3 (am), 4 (am)
 - Kennedy: Days 3 (pm), 4 (pm), 5, 6
- My 2018-2019 Elementary Art Curriculum was tailored towards the new department wide benchmarks created after our 2018 summer Research and Development curriculum development meetings. The new benchmarks were a great way to keep student learning consistent across grade levels and schools while also incorporating the new NYS Standards of Art.
- The district introduced the Positivity Project as a new character education program. Several art class projects were heavily influenced by the 24 highlighted character strengths.

Special events, projects, interdisciplinary activities, etc.

- The James F. Montpelier Gallery hosted the *4th Annual North Country Art Teachers Association Art Teacher Show* at the beginning of this year, and will be hosting the 5th Annual Art Teacher Show at the beginning of next school year.
- The *K-12 Fall Art Exhibit*, November 2018, featured the eclectic work of district Art students. The K-12 Spring Art Exhibit, *Portraits*, opened in March, and honored the creative work of over 200 student artists.
- Mrs. Marcinko collaborated with other subject area educators and librarians on interdisciplinary lessons at the elementary level.
- Ms. Drayse-Alonso and Mrs. Marcinko worked with Theater Tech students, Mrs. Pabis and Mr. Lomaki to create props and paint scenery for the musical *Once Upon a Mattress*.
- Ms. Drayse-Alonso's Studio Art students created "Gratitude Portraits" in keeping with one of the character traits of the school district's newly adopted Positivity Project.
- Mrs. Rycroft collaborated with other subject area educators and librarians on interdisciplinary lessons at the elementary level.
- Mrs. Rycroft helped Madill school add color to the garden area. Every student painted a rock with a character strength and helped create a "Positivity Rocks" banner to follow along with the Positivity Project.
- Mrs. Rycroft created graffiti walls at both Madill and Kennedy with each graffiti word representing a Positivity Project character strength.
- Mrs. Rycroft and Mrs. Marcinko were asked to help to create a yearbook design with students by the K-2 yearbook committee.

Student activities and achievements.

- Artworks by Kiara Chase (Gr. 9), Sophia Dishaw (Gr. 2), Beau Friot (Gr. 3), Jerzy Haggart (Gr. 1), Nicholas Mills (Gr. 11), Taylor Pinkerton (Gr. 6), Emily Jo Sovie (Gr. 10), and Revé Tomassini (Gr. 10) were accepted into the Frederic Remington Art Museum's Elementary and High School Art Shows.
- Artworks by Elementary and Middle School students Taylor Ashley, Evelyn Davis, Jaelyn Dewey, Mason Hess, Jacob Kutt, Brooke Loffler, Azarya Mereau, Gina Puello, Brady Shaver, Ivey Santos, Kellan Sutton, and Dakota Wells were accepted into NCATA's Annual K-8 Regional Art Show, held at the Canton BOCES. Zanaya Baker-Johnson was the featured OFA Senior in this show. This art show features artwork from talented students across St. Lawrence County.
- Gabby Brown (Gr. 12) created the winning cover for the CHMC Foundation Christmas card sent to over 3,000 people.
- Artworks by Zanaya Baker-Johnson, Jada Bishop-Duford, Haley Burlamachi, Kiera Duprey, Nick Mills, Mariah Murphy, Emily Jo Sovie, Andrew Smith, Revé Tomassini, and Carolyn Wright were accepted into the SUNY Potsdam High School Art Exhibit held at the Gibson Gallery in May. Mariah Murphy won the 3D art award.
- Seniors Carolyn Wright and Zanaya Baker-Johnson are the recipients of the OEA Excellence in Visual Art Awards.
- Taylor Pinkerton's (Gr. 6) artwork was requested to be the official image for the Frederic Remington's Harvest Moon event.
- Storm Peccolo (Gr.1) created an image incorporated into the elementary yearbook design at Kennedy School.

Field trips, guest speakers, community involvement.

- MS/HS Art Club and Art 7 students volunteered to paint faces for the *CHMC Festival of the Trees* held in December.
- HS Art Club created display boards for the 1st Annual OFA Hall of Fame ceremony.
- Nick Valcour, class of 2016, visited high school art classes and Art Club to share his experiences as a sophomore Game Design major at RIT.
- National Gallery of Canada, Ottawa
 - Twenty-five high school art students (HS Art Club, Ceramics, Sculpture, and Independent Study) spent the day with Ms. Drayse-Alonso, Mrs. Marcinko, and Mrs. Rycroft at the National Gallery to view the special exhibit, *Gauguin: Portraits*, and the museum's extensive contemporary art collections. This field trip not only exposed students to some powerful art, but to another culture as well. For some, this was their first trip to Canada and/or its capital city.
- The Middle School Art Club took a field trip to the Frederic Remington Art Museum, where they worked with Education Specialist Laura Desmond in the galleries, sketched

and discussed Remington's work, then completed their art in the FRAM Education Center studio.

- High school artists Andrew Smith, Haley Burlamachi and Zanaya Baker-Johnson were interviewed by NCPR's Todd Moe at the opening of the Spring K-12 Art Show, *Portraits*.

Professional growth

- Ms. Drayse-Alonso, Mrs. Marcinko, and Mrs. Rycroft, attended NYSATA's 70th Annual Conference, *Transformation: A New Era in Art Education* in Buffalo, NY in November 2018. Keynote speakers included famed artist Mark Dion, who shared insight into his artistic processes and body of work.

Ms. Drayse-Alonso

- Created artwork for display in the September NCATA show and the Remington Members' Juried Art Exhibit.
- Met with S.L.U. Printmaking professor, Melissa Schulenberg, to troubleshoot Mokuhanga printmaking (Japanese woodcut) processes.
- Member of the Frederic Remington Art Museum's Education Committee where we strive to build coalitions between the museum and St. Lawrence County public and private schools.
- Helped organize the NCATA spring staff day hosted by the OFA Art Department. Presented the workshop "Pochoir Printmaking" to area art teachers.

Mrs. Marcinko

- As secretary of the North Country Art Teachers Association, I helped organize NCATA's Spring Staff Development day in our district. We provided workshops on Digital Art, Ceramics, Printmaking and Matting and Framing. Laura Foster, Director of the Frederic Remington Art Museum, gave the keynote address for the art teachers who attended.
- Helped NCATA organize and set up the 5th Annual NCATA K-8 Regional Art Show at St. Lawrence-Lewis BOCES in Canton. This show featured student artwork from districts around St. Lawrence County and the North Country. Students received special awards and recognition.
- Personal artwork accepted into the 2019 Frederic Remington Members' Juried Art Exhibit.

Mrs. Rycroft

- Participated by including artwork in the 2018 Fall NCATA exhibit displayed in the Montpelier Gallery located at OFA.
- Began the process to obtain a professional teaching certificate in the visual arts in New York State.

Goals for 2019 - 2020

Ms. Drayse Alonso

- Prepare for the 5th Annual NCATA Art Teachers' Exhibit to be held in the Montpelier Gallery, September 2019.
- Continue to create my own artwork in drawing, painting and woodblock printmaking throughout the summer and into next year.
- Hone and refine my general 7-12 Art Curriculum to reflect ongoing research in contemporary and historical art, innovative teaching practices, and learning benchmarks.
- Revise my Painting, Sculpture, and Ind. Sty. Art curricula for the 2019-20 school year to include student-driven research of a broad range of master artworks--historical, contemporary, and global.

Mrs. Marcinko

- I will refine my K-12 Visual Arts curriculum and organize my lessons into in-depth units that incorporates more technology, art mediums, and processes.
- Throughout this school year, I have been keeping notes for myself to look at next school year. These notes range from new project ideas to classroom management strategies.
- I will increase the number of historical, contemporary, and global artists that I reference in my curriculum at the Elementary and Secondary levels.
- I will communicate and collaborate with my coworkers to make sure that my Elementary students are thoroughly prepared for Middle School art.
- To help me accomplish these goals, I will be filling out an R&D form to work over summer break.

Mrs. Rycroft

- Create new artwork for the 2019 NCATA Art Teacher's Exhibit to be on display in September.
- Officially obtain my professional certification for teaching in NYS.
- Begin incorporating more TAB elements (Teaching Artistic Behaviors) into my elementary art curriculum to offer students more choice and build independence while producing artwork.
- Refine the organization of both art rooms - I am still working to create spaces that will influence students' creatively while also creating an organized environment.
- Incorporate new projects that will align with our department benchmarks and the new NYS Visual Arts Standards.

Respectfully submitted,
Dianne Drayse-Alonso
Art Department Head

End of Year Report

(2018-2019)

On July 31-August 2 Ogdensburg Free Academy, previously approved and recognized by the New York State Education Department as a **NYS Certified Agency**, offering courses of study in CPR/AED and First Aid knowledge and skills for coaches [meeting the provisions of Education Law 3001(b)(c) and Regulations of the Commissioner of Education, Section 135.5], was the site of the OFA Athletic Department *Coaches' Certification Session*. All existing members of the certification/re-certification staff are certified as instructors to teach the NYSED approved CPR/AED and First Aid courses for coaches; many members of this highly proficient staff assisted with our annual certification session. Several coaches from Ogdensburg and surrounding communities successfully completed the required objectives and skills evaluations, in accordance with the curriculums of the NYSED and the American Heart Association (AHA).

On August 4 Ogdensburg Free Academy, designated as a "Testing Site" for the NYSPHSAA *Section 10 Regional Advance Placement Performance Test* (APP Test), was the host location for the Fall Sports Season Session. The OFA Athletic Department organized, coordinated and administered this test, with individual student-athletes from several surrounding school districts attending including: Gouverneur, Hammond, Madrid-Waddington, Norwood-Norfolk, Parishville, Salmon River, St. Lawrence Central, and OFA.

On August 27 and 29 OFA hosted the 25th *Annual Girls Soccer Tournament* at the Varsity and Junior Varsity levels. Several local schools participated including: Brushton-Moira, Gouverneur, Heuvelton, Lisbon, Madrid-Waddington, Morristown, and OFA.

On August 30 the OFA Varsity Football Team opened their season by competing against Sauquoit Valley High School (Section 3) in the prestigious/coveted *Annual High School Kick-Off Classic* at the Carrier Dome in Syracuse, NY.

On September 6 and 8 OFA hosted the 25th *Annual Gerard Cring Memorial Boys Soccer Tournament* at the Varsity and Junior Varsity levels. Several local schools participated including: Brushton-Moira, Gouverneur, Hammond, Lisbon, Madrid-Waddington, Salmon River, and OFA

On September 21 the 1st *Annual Ogdensburg Free Academy/St. Mary's Academy (OFA/SMA) Athletic Hall of Fame Induction Ceremony* was held in the George Hall Auditorium. Inductees (athletes, teams and coaches from the 1950s and 1960s) were introduced during half time of the OFA Varsity Football Game.

On October 5 the OFA Varsity Cheerleaders celebrated their *Annual Junior Cheerleader Clinic* with a performance of approximately 65 cheerleaders from grades 2-6. They performed at half time during the final home Varsity Football game against St. Lawrence Central. In addition, the Ogdensburg Pee Wee Football players were introduced at half-time, approximately 119 football players participated.

On October 13 Ogdensburg Free Academy, selected as a "Testing Site" for the NYSPHSAA *Section 10 Regional Advance Placement Performance Test* (APP Test), was the host location for the Winter Sports Season Session. The OFA Athletic Department once again organized, coordinated and administered this test, with individual student-athletes from several surrounding school districts attending including: Canton, Colton-Pierrepont, Edwards-Knox, Gouverneur, Hammond, Harrisville Herman-DeKalb,

**CO-CURRICULAR ACTIVITIES
END OF YEAR REPORT
2018-2019**

ACTIVITY: Ogdensburg Free Academy Devilog (Yearbook 9-12)

ADVISOR: Christina Frank

OFFICERS AND MEMBERS:

Members: Caroline Lalone, Olivia McRoberts, Carmine Menza, Logan Brooks (fall semester only), Chris Lewis (fall semester only), Connor Sibley (spring semester only), Fern Sonthisawadht (spring semester only), Noah Strader (spring semester only).

ACTIVITIES:

The staff of the Devilog is responsible for creating business ads, senior ads, taking pictures at sporting events, club events, and of faculty members and co-curricular activity meetings, as well as underclassmen candid photos. Assignments are given for each marking period based on the number of pages to be completed, as determined by our agreement with Balfour Publishing Company. For the eleventh year, the entire yearbook was created online using StudioWorks, with a final deadline of April 29th, which was met with hard work from the very small yearbook staff. The books arrived in late May and were distributed to the student body by the members of the yearbook staff. This year the yearbook contributors are particularly proud of the consistency among sections in their music themed publication, with photos of students and staff jamming on air guitars and quoting their favorite song lyrics, as well as the cover design, which was a collaboration between our staff and cover artists from the yearbook company. The yearbook sold out completely for the second year in a row!

Meetings: The course meets every day during period 4.

FUND RAISERS: The staff of the 2019 Devilog, with the assistance of Mrs. Frank, sold ads to community businesses on a sliding price scale depending upon ad size to offset the cost of yearbook production. Yearbook staff also sold parent ads to parents of senior students. The sale of yearbooks took place online through smart-pay.com, an affiliate of Balfour Publishing Company, to minimize the amount of money handled in the school building. Yearbook staff members sent handwritten notes of thanks to all business that purchased an ad in the 2018 publication, with the hope of increasing/maintaining ad sales for 2020. This task was encouraged by a supplementary yearbook publication aligned with the Common Core learning standards, and proved effective in maintaining or increasing ad sales from 2018 through 2019.

- to decide on a design for the class t-shirt
- to decide on dates for picnic
- to decide how to spend the remainder of class money

On June 14, students in the class enjoyed a picnic. The cafeteria grilled hot dogs, hamburgers and served the students outside. The class played music with equipment provided by Mr. Ladouceur. After eating students enjoyed activities such as; volleyball, kan-jam, football, mat ball, or just hanging out listening to music with friends.

On June 14, the students also participated in the Senior Parade. Our seniors "paraded" through the elementary schools wearing their caps/gowns as a demonstration of "completion and what to work hard for" for our elementary students. As well, each senior carried a laminated sign, identifying themselves (since our teachers may have a difficult time recognizing them) and indicating their post-graduation plans.

On June 26, students will attend rehearsal for graduation and the slideshow from the senior parents will be shown.

ACTIVITIES/ FUND RAISERS:

This is our ninth year as Student Council co-advisors. We started the year by presenting at 9th grade orientation and distributed t-shirts to incoming 9th graders. September started out with an election for High School class officers and officers for Student Council. We then organized Spirit Week and Homecoming in September. Due to a heavily scheduled September, we did not have a pep rally this year. Student Council members were ambassadors for Parent Night. We sponsored the Homecoming Dance, Holiday Spirit Week and the Winter Ball. Our fundraising money is being utilized for a Valedictorian, Salutatorian and individual Student Council scholarships. Student Council members also volunteered at the OEA Community Dinners and donated refreshments for the school play. The High School Student Council and the Middle School Student Council joined forces and organized Teacher Appreciation Week and Administrative Assistant week to celebrate all of the hard work of teachers and staff in the district.

END OF YEAR REPORT
Model United Nations
2018-2019

- I. The Ogdensburg Free Academy Model United Nations Club continues to maintain ten to fifteen active members throughout the year. This year, we attempted to offer an elective class to support the development of the skills and knowledge base needed for active and informed participation at conferences. The class did not receive the anticipated interest. The district will discontinue this offering.

- II. Our Model UN club participated in only one conference this year. The conference, held at Canton Central on November 14, 2018, was very successful. The topics discussed included:
 - China's Internment Camps
 - Immigration and Migration in the Americas
 - Conflict in Yemen
 - South Sudan Civil War

- III. At the Canton Conference, we captured the coveted designation of Most Authentic Delegate, as well numerous honorable mentions for work on specific topics.

- IV. Typically, each conference would present a collegiate level presentation or guest speaker. This year efforts were made to discuss procedural language and policy amongst delegates.

- V. Mrs. Ladouceur and Mrs. Skelly are exploring independent units of study to share with the students to enhance world perspectives.

- VI. Our goals for 2019-2020 are to continue to grow our membership and to possibly host our own conference, or explore the possibility of attending competitions outside the region.

7/8 Student Council Report

The 2018-2019 7/8 Student Council was led by Jayden Awan (President/Treasurer), Brynn Sweeney (Vice-President), and Jesnesha Brown (Secretary). We were able to raise a little over \$1000.00 for students in grade 7/8. A donation will be made to the Class of 2023 for all of their fundraising efforts made in 7th and 8th grade. The fundraiser that we completed was Fancloth Inc. Student Council sponsored a trip for 8th graders to go to Lake Placid for the World Cup Winter Games. We were able to watch the bobsled races. The ticket also allowed the student's to go back at a later date to watch another winter event. We participated in Spirit Week along with high school. We were able to put on two dances for the 7/8 graders. The student council partnered with the high school student council to honor secretaries on Administrative Assistant Day as well as teachers on Teacher's Appreciation Day.

Thank you,

Amy Sweeney

ACTIVITIES:

Meetings: Several meetings with our members occurred this year. The students were actively involved in the creation and organization of the yearbook. They conducted the 8th grade superlatives and the This/That page and tallied all the students votes. Students created posters to encourage Yearbook cover drawings and hung them around the school. They also conducted the yearbook sales campaign and helped to deliver the yearbooks to homerooms. Members helped to fold, stuff and address the letters home to parents about ordering yearbooks.

FUNDRAISERS:

We sold parent ads for funding of the yearbook. We also ran the sales campaign for the sale of the yearbooks.

DONATIONS:

Yearbook club will be donating \$300.00 each to the OFA pantry and the OFA Marching Band.

Class of 2021 Sophomore Advisor 2018-2019 report for Rachel Atkins

Students started the year off with a balance of \$904.11 from their freshman year. The students completed two successful fundraisers over the course of the 2017-2018 school year.

- Little Lamb Cookie Dough - \$997.65 profit

This year the students did only one fundraiser in the spring and raised \$997.65. I have run this fundraiser in the fall and have generated around \$2500.00 for the previous two years. I would like to see the sophomore class be allowed to fundraise in the fall again so they can be more successful, and have the capacity to do a second fundraiser in the spring.

Competition
Team Members: Sloane Ryan, Shelby Ross
Jake VanHouse, Nick LaCombe

Alternates: Lizzie Peo, Chayton Massie

Other Team Members: Alec Lacombe,
Garrett Bresett, Brogan LaRose

All nine team members consistently practiced prior to the competition.

Competition: Round 1: OFA (170) vs. General Brown (345)

Meetings: Practices were held at 7:15-7:40 a.m., 4 days a week, from September 17th until the final match on October 15th.
16 practices were held to prepare members for competition.

The Whiz Quiz Team had a fun season. Even though we were eliminated in the first round, the students found it to be a very enjoyable experience. This team was comprised of an enthusiastic, and dedicated group of students, many who were first time Whiz Quiz participants.

The competing team members played cohesively and exhibited great respect and support for each other during practices and their match. They represented OFA very well.

Once again, the advisors and team appreciate the continued funding and support from the faculty administration, and Board of Education.

This program gives dedicated students the opportunity to deal with pressure situations and develop confidence and poise in a televised setting. Students always demonstrate impeccable manners and represent our school well. We had a great time with this group!
