OGDENSBURG, NEW YORK

SUBJECT: Public Hearing Relative to Proposed 2021-2022 Budget

DATE: May 10, 2021

REASON FOR BOARD CONSIDERATION:

- I. Education Law Section 2022(1) requires school districts to which the article applies, which includes the Ogdensburg City School District, to hold a budget hearing not less than seven nor more than fourteen days prior to the annual meeting and election at which a school budget vote will occur, and directs the school district to prepare and present to the voters at such budget hearing a proposed school district budget for the ensuing school year.

Education Law Sections 2601-a and 1716 make it a duty of the Board of Education of each district to present at the annual budget hearing a detailed statement in writing of the amount of money which will be required for the ensuing year for school purposes, specifying the several purposes and the amount for each.

Such proposed budget shall be presented in three components: a program component, a capital component, and an administrative component, which shall be separately delineated in accordance with the regulations of the Commissioner after consultation with local school district officials.

- II. Since it is required by Education Law to hold a hearing on the proposed budget; and since said hearing must be convened before voter authorization of the budget as permanent; and since the purpose of said hearing is for public input regarding same, this Special Meeting of the Board, then has been called expressly for said purpose of conducting a public hearing on the proposed 2021-2022 budget for the Ogdensburg City School District.

RECOMMENDED ACTION:

Proceed with Public Hearing on Proposed Budget for input by any citizen who desires to speak on the matter.
