

**AGREEMENT REGARDING WATER AND SEWER SERVICES
between THE OGDENSBURG CITY SCHOOL DISTRICT and THE CITY OF
OGDENSBURG**

This Agreement is entered into by and between the **City of Ogdensburg** ("City") and the **Ogdensburg City School District** ("District").

Purpose

The purpose of this Agreement is to provide for the connection of District-owned property (Transportation Facility) to the City's water and sewer systems and to establish the rates and conditions applicable to such service.

Water and Sewer Service

The City agrees to provide water and sewer service to the District's Transportation Facility, and the District agrees to connect to and utilize such services in accordance with applicable laws, regulations, and ordinances.

Rates and Charges

The District shall pay for water and sewer services at the same rates and under the same fee structure charged to the District as of the effective date of this Agreement and in accordance with applicable laws.

Future Water and Sewer District

In the event that the City becomes a party to establishing a Water District, Sewer District, or combined Water and Sewer District in the area encompassing the Transportation Facility, District agrees to join said District.

Nothing herein shall obligate either party to accept proposed modifications; however, both parties agree to meet and negotiate in good faith upon such request. In the event the school district decides not to join the proposed water/sewer/combo district, the city has the option to amend rates as defined above.

Term

This Agreement shall remain in effect unless amended by mutual written agreement of the parties or terminated in accordance with applicable law.
